

We are so excited for our families (Gr. 1-3) to join us for Student Led Conferences this week. We are all so proud of this initiative as truly it promotes the best educational practices where students can demonstrate agency and showcase their learning experiences.

Remember - grades are live on the Parent Portal!

As many of you are already aware, it's time to take a walk in the "PARCC" this May. Students in Grade 3 will be assessed on their mastery of the New Jersey Student Learning Standards, formerly the Common Core State Standards. The best thing you can do to help your children is to make sure they are well rested and nourished during the assessment window (May 8-11 - Math/May 15-17 - ELA). Please make sure students arrive on time each day!

Heartfelt   
**THANKS**  
**TO OUR VOLUNTEERS!**

Big shout outs to our PTA for another amazing week of activities and support! Kudos to the Gr. 2 It's OK2B Different team for creating comprehensive programming about learning differences. Many thanks to members of our staff for assisting as well. I hope everyone is feeling relaxed and refreshed after an amazing time on Saturday at the annual spring fundraiser. Thank you to all who attended and planned the event. We are also grateful for everyone's generosity!
