

**BIG SHOUT OUT TO OUR STAFF, STUDENTS, & FAMILIES!** We were thrilled to see so many of our families visit Sickles last week for Student Led Conferences. Thank you for your dedication to continue this best practice and for making the time in your schedules to attend. I am delighted that it has become part of our school culture.

May the fourth be with you! Check out some [amazing ideas](#) for [Global Day of Design](#). What will you and your children make?

Thank you to our PTA for organizing the annual "Dancin' with the Honeybees" for first grade! The students and staff love this special assembly. We are also grateful for everyone's hard work with It's OK2B Different in Grade 3 on Friday!

# UPCOMING EVENTS
